¹ All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Sale Motion or the APA, as applicable.

Duke and King Acquisition Corp. and Buyer for Store #11191 (the “APA”), as attached hereto as Exhibit 1. Appearances were noted on the record.

Based on the Sale Motion, the arguments of counsel, all the files, records and proceedings herein, the Court being advised in the premises, and for those reasons stated orally and recorded in open court following the close of evidence:

IT IS HEREBY FOUND THAT:²

A. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 1070-1.

B. Venue of the Debtors’ chapter 11 cases (the “Chapter 11 Cases”) in this District is proper pursuant to 28 U.S.C. § 1409(a).

C. Determination of the Sale Motion is a core proceeding under 28 U.S.C. § 157(b)(2)(A) and (N). The statutory predicates for the relief requested herein are sections 105(a), 363(b), (f) and (m), and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

D. This Sale Approval Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Sale Approval Order, and expressly directs entry of judgment as set forth herein.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Bankruptcy Rule 7052. B. To the extent any of the findings of fact contained herein constitute conclusions of law, they are adopted as such. To the extent any of the conclusions of law contained herein constitute findings of fact, they are adopted as such.

E. A hearing on the Debtors' Motion for an Order Approving Sale and Bidding Procedures was held by this Court on January 24, 2011, and, on that date, the Court entered the Order Approving Sale and Bidding Procedures (the "Procedures Order"). The Debtors and the Buyer have complied with the Procedures Order in all respects.

F. Pursuant to the Procedures Order, the Group Two Auction was conducted on April 26, 2011, by the Debtors, in consultation with the advisors and investment banker, Mastodon Ventures, Inc. The Sale Procedures Order (as amended)³ set May 10, 2011 as the date of the hearing (the "Sale Approval Hearing") for an order to approve the sale.

G. On April 11, 2011, the Debtors filed the Sale Motion and served copies of the Sale Motion in compliance with Local Rule 9013-3(a)(2). On April 18, 2011, the Debtors served the Notice of Sale Approval Hearing in compliance with this Court's orders. On April 18, 2011, the Debtors served the Notice Concerning Unexpired Leases and Executory Contracts and Establishing Cure Costs on the counterparties to such leases and contracts.

H. Based upon the foregoing and the certificates of service and publication filed with the Court, due, proper, timely, adequate and sufficient notice of the Sale Motion, the initial hearing on the Sale Motion, the Group Two Auction, the Sale Approval Hearing, the sale of the Acquired Assets, the proposed assumption and assignment of the Assumed Leases and Acquired Contracts and the proposed rejection of the contracts has been provided in accordance with sections 102(1), 363(b) and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007 and 9008 and in compliance with the Procedures Order and no other or further notice of the Sale Motion, the initial hearing on the Sale Motion, the Group Two Auction, the Sale Approval Hearing, the sale of the Acquired Assets, the proposed assumption and assignment of

the Assumed Leases and Acquired Contracts or the entry of this Sale Approval Order is required or necessary.

I. All parties in interest, including, without limitation, all parties who claim an interest in or lien upon the Acquired Assets, all shareholders of the Debtors, all federal, state and local environmental authorities, and all U.S. or foreign federal, state and local governmental taxing authorities who have, or as a result of the sale of Acquired Assets may have, claims, contingent or otherwise against the Debtors, have been given a reasonably opportunity to object and be heard, regarding the relief requested in the Sale Motion. All objections to the Sale Motion were resolved, withdrawn or overruled at the Sale Approval Hearing.

J. As demonstrated by the testimony or other evidence proffered or adduced at the Sale Approval Hearing: (i) the offer from the Buyer constitutes the highest and best offer for the Acquired Assets; (ii) the Debtors conducted an auction process in accordance with, and have otherwise complied in all respects with, the Procedures Order; (iii) the auction process set forth in the Procedures Order afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets; and (iv) the Group Two Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner and a reasonable opportunity has been given to any interested party to make a higher and better offer for the Acquired Assets.

K. In accordance with the Procedures Order, the APA was deemed a Qualified Bid (as defined in the Sale Procedures) and was eligible to participate at the Group Two Auction.

L. The APA constitutes the highest and best offer for the Acquired Assets, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the APA constitutes the highest and best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment.

M. The APA represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Cases. No other person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Buyer.

N. The purchase price as set forth in the APA (the "Purchase Price") for the Acquired Assets is fair and reasonable, and constitutes reasonable consideration and reasonably equivalent value (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code) under the Bankruptcy Code and under the laws of the United States, any state, territory, possession or the District of Columbia. Approval of the APA and the sale of the Acquired Assets in accordance with this Sale Approval Order and the APA are in the best interests of the Debtors' estates, creditors and other parties in interest. The terms of the APA were negotiated at arms' length and are fair and reasonable under the circumstances.

O. The APA was not entered into for the purpose of hindering, delaying or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtors nor the Buyer is entering into the transactions contemplated by the APA fraudulently for the purpose of statutory and common law fraudulent conveyance and fraudulent transfer claims.

P. The Debtors have demonstrated compelling circumstances and good, sufficient and sound business purposes for the sale of the Acquired Assets pursuant to section 363(b) of the Bankruptcy Code outside of a plan of reorganization.

Q. Each of the Debtors, as applicable, (i) has full corporate or other power to execute, deliver and perform its obligations under the APA and all other documents contemplated thereby or entered into in connection therewith, and the Sale of the Acquired

Assets by the Debtors has, in each case, been duly and validly authorized by all necessary corporate or similar action, and (ii) has taken all action necessary to authorize and approve the APA and such other documents contemplated thereby and the consummation by them of the transactions contemplated thereby or entered into connection therewith. No third-party approvals, other than those expressly provided for in the APA, if any, are required by the Debtors to consummate such transactions.

R. The Debtors are authorized and directed to sell and transfer the Acquired Assets free and clear of all mortgages, restrictions, hypothecations, charges, indentures, loan agreements, instruments, leases, licenses, options, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, liens (including, without limitation, mechanics', materialmens' and other consensual and non-consensual liens and statutory liens), judgments, demands, rights of first refusal (other than the rights of first refusal of Burger King Corporation under applicable franchise agreements) offsets, contracts, recoupment, rights of recovery, claims for reimbursement, contribution, indemnity, exoneration, products liability, alter-ego, environmental, or tax, decrees of any court or foreign or domestic governmental entity, or charges of any kind or nature, if any, including, but not limited to, any restriction on the use, voting, transfer, receipt of income or other exercise of any attributes of ownership, debts arising in any way in connection with any agreements, acts, or failures to act, of the Debtors or the Debtors' predecessors or affiliates, claims (as that term is used in the Bankruptcy Code), reclamation claims, obligations, liabilities, demands, guaranties, options, rights, contractual or other commitments, restrictions, interests and matters of any kind and nature, whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed

or undisputed, whether arising prior to or subsequent to the commencement of the bankruptcy case, and whether imposed by agreement, understanding, law, equity or otherwise, including claims otherwise arising under doctrines of successor liability (collectively, “Liens, Claims, Encumbrances and Interests”) with such Liens, Claims, Encumbrances and Interests to attach to the consideration to be received by the Debtors in the same priority and subject to the same defenses and avoidability, if any, as before the Closing, and Buyer would not enter into the APA to purchase the Acquired Assets otherwise.

S. Those holders of Liens, Claims, Encumbrances and Interests against the Debtors, their estates or any of the Acquired Assets who did not object, or who withdrew their objections, to the sale or the Sale Motion are deemed to have consented to the sale pursuant to section 363(f)(2) of the Bankruptcy Code. The Debtors have met the requirements of section 363(f) with respect to all other holders of Liens, Claims, Encumbrances and Interests as such Claim holders will have their Liens, Claims, Encumbrances and Interests, if any, in each instance against the Debtors, their estates or any of the Acquired Assets, attach to the net cash proceeds of the sale ultimately attributable to the Acquired Assets, in which such creditor alleges a Claim, in the same order of priority, with the same validity, force and effect that such Liens, Claims, Encumbrances and Interests had prior to the sale, subject to any claims and defenses the Debtors and their estates may possess with respect thereto.

T. The Buyer would not have entered into the APA and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates and their creditors, if the sale of the Acquired Assets to the Buyer, the assumption of liabilities and obligations as set forth in the APA by the Buyer and the assignment of the Assumed Leases and Acquired Contracts were not free and clear of all Liens, Claims, Encumbrances and Interests.

U. The APA was negotiated, proposed and entered into by the parties in good faith, from arms' length bargaining positions and without collusion.

V. The Debtors have followed in good faith the procedures for notice and sale of the Acquired Assets as set forth in the Procedures Order.

W. The Buyer is not an "insider" or "affiliate" of the Debtors (as each such term is defined in the Bankruptcy Code). Neither the Debtors nor the Buyer have engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code or cause the application of section 363(n) of the Bankruptcy Code to the sale and the transactions contemplated by the APA. Specifically, the Buyer has not acted in a collusive manner with any person and the aggregate price paid by Buyer for the Acquired Assets was not controlled by any agreement among the bidders.

X. The Buyer is entitled to the protections afforded under section 363(m) of the Bankruptcy Code because the Buyer is a good faith purchaser in that, *inter alia*: (i) except as set forth in the Procedures Order, the Buyer recognized that the Debtors were free to deal with any other party interested in acquiring the Acquired Assets; (ii) the Buyer complied with the provisions in the Procedures Order; (iii) the Buyer agreed to subject its bid to the competitive bidding procedures set forth in the Procedures Order; (iv) the Buyer in no way induced or caused the chapter 11 filings by the Debtors; (v) all payments to be made by the Buyer in connection with the sale have been disclosed; (vi) no common identity of directors or controlling stockholders exists between the Buyer and any of the Debtors; and (vii) the negotiation and execution of the APA was at arms' length and in good faith.

Y. In the absence of a stay pending appeal, if any, if the Closing occurs at any time after entry of this Sale Approval Order, then, with respect to the APA, the Buyer, as a purchaser in good faith of the Acquired Assets, shall be entitled to the protections of section 363(m) of the

Bankruptcy Code if this Sale Approval Order or any authorization contained herein is reversed or modified on appeal.

Z. The Debtors are the sole and lawful owners of the Acquired Assets. Effective as of the Closing, the transfer of the Acquired Assets is or will (i) be legal, valid and effective transfers of property of the Debtors' estates to the Buyer, as more particularly set forth in the APA, and (ii) vest the Buyer with all right, title, and interest of the Debtors and the Debtors' estates in and to the Acquired Assets free and clear of all Liens, Claims, Encumbrances and Interests under sections 363(f) and 105 of the Bankruptcy Code.

AA. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign those Assumed Leases and Acquired Contracts, as defined in the APA and described on Schedules B and 1.1(g) to the APA, including any amendments or modifications to such exhibits as agreed to by the Debtors and Buyer pursuant to the APA, in connection with the consummation of the sale of Acquired Assets, and the assumption and assignment of the Assumed Leases and Acquired Contracts is in the best interests of the Debtors, their estates, their creditors and their equityholders.

BB. The Assumed Leases and Acquired Contracts being assigned to the Buyer as set forth in the APA are an integral part of the Debtors' businesses being purchased by the Buyer and, accordingly, such assumption and assignment of Assumed Leases and Acquired Contracts is reasonable, enhances the value of the Debtors' estates, and does not constitute unfair discrimination.

CC. The Assumed Leases and Acquired Contracts are unexpired leases or executory contracts within the meaning of the Bankruptcy Code.

DD. All amounts which are required to be paid in connection with the assumption and assignment of the Assumed Leases and Acquired Contracts that are due or owing under sections

365(b)(1)(A) and (B), and 365(f)(2)(A) of the Bankruptcy Code to (i) cure any defaults under the Assumed Leases and Acquired Contracts specified in this Sale Approval Order or (ii) pay all actual or pecuniary losses that have resulted from such defaults (except with respect to those liabilities expressly assumed by the Buyer pursuant to the APA) are set forth on Exhibit 2 hereto (the “Cure Costs”).

EE. Any objections to the Cure Costs associated with such Assumed Leases and Acquired Contracts are resolved as set forth on Exhibit 2 to this Sale Approval Order. To the extent that any counterparty failed to timely object to (i) the proposed assumption and assignment of the applicable Assumed Lease or Acquired Contract or (ii) the Cure Cost associated with the applicable Assumed Lease or Acquired Contract, such counterparty is deemed to have consented to such Cure Cost and the assumption and assignments of its respective Assumed Lease or Acquired Contract to the Buyer as expressly set forth on Exhibit 2 to this Sale Approval Order.

FF. The promises of Buyer and/or the Debtors to pay the Cure Costs and the Buyer’s promise to perform the obligations under the Assumed Leases and Acquired Contracts after the Closing shall constitute adequate assurance of its future performance under the Assumed Leases and Acquired Contracts specified in this Sale Approval Order that are being assigned to it within the meaning of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

GG. Adequate notice and opportunity to be heard was provided to counterparties to executory contracts and unexpired leases to be assumed and assigned pursuant to this Sale Approval Order. Further, counterparties received adequate notice and an opportunity to object to the amount of any Cure Costs owed by the Debtors’ estates on account of any executory contract or unexpired lease to be assumed and assigned to the Buyer under the APA.

HH. The assumption and assignment of the Assumed Leases and Acquired Contracts is integral to the APA and is in the best interests of the Debtors and their estates, creditors and equityholders and represents the exercise of the Debtors' sound business judgment.

II. Any objections to the assumption and assignment of any of the Assumed Leases and Acquired Contracts to the Buyer are hereby overruled.

JJ. Neither the Buyer nor its affiliates shall be deemed, as a result of any action taken in connection with the purchase of the Acquired Assets, to: (i) be a successor (or other such similarly situated party) to any of the Debtors (other than with respect to the Assumed Liabilities as expressly stated in the APA); (ii) have, de facto or otherwise, merged with or into any of the Debtors; (iii) be a mere continuation of the Debtors or their estates (and there is no continuity of enterprise between the Buyer and the Debtors); or (iv) be holding itself out to the public as a continuation of the Debtors. The Buyer is not acquiring or assuming any liability, warranty or other obligation of the Debtors, except as expressly set forth in the APA with respect to the Assumed Liabilities.

KK. The Debtors have good, valid and marketable title to all of the Acquired Assets. The Acquired Assets are to be transferred free and clear of any and all Liens, Claims, Encumbrances and Interests. All of the Acquired Assets are, or will on the Closing Date, be owned by the Debtors and will be transferred under the APA.

LL. Other than the Assumed Liabilities, the Buyer shall have no obligations with respect to any liabilities of the Debtors, including, without limitation, the Excluded Liabilities, and the Debtors and their estates will release and forever discharge the Buyer and any of its affiliates, its successors and assigns from any and all claims, causes of action, obligations, liabilities, demands, losses, costs and expenses of any kind, character or nature whatsoever,

known or unknown, fixed or contingent, relating to the sale, except for liabilities and obligations under the APA.

IT IS HEREBY ORDERED:

General Provisions

1. The Sale Motion is hereby granted to the extent provided herein.
2. All objections to the Sale Motion or the relief requested therein that have not been withdrawn, waived, or settled, including all reservations of rights included therein, which are not otherwise provided for by this Sale Approval Order, are overruled on the merits.

Approval of the APA

3. Each and every term of the APA (attached hereto as Exhibit 1) and all other ancillary documents is hereby approved.
4. The sale of the Acquired Assets to Buyer pursuant to the APA is hereby authorized under section 363(b) of the Bankruptcy Code and the entry of the Debtors into the APA is hereby approved. The proceeds from the sale of the Acquired Assets as provided in the APA shall be paid in accordance with further orders of the Court.
5. The Debtors, through any corporate officer, are authorized and directed to execute and deliver, and empowered to fully perform under, consummate, implement and close the APA, together with all additional instruments and documents that may be reasonably necessary or desirable to implement such agreements, including taking any actions that otherwise would require further approval by shareholders or their respective boards of directors (without the need of obtaining such approvals) and to take all further actions as may be reasonably requested by the Buyer for the purpose of assigning, transferring, granting, conveying and conferring to the Buyer, or reducing to possession, any or all of the Acquired Assets, or as may be necessary or appropriate to the performance of the obligations of the Debtors under the APA, including

effectuating amendments to the APA in furtherance thereof. All Persons necessary to effect the transactions contemplated by the APA are hereby ordered to execute any and all documents necessary to effect such transactions. If any Person fails to comply with the provisions of this paragraph 5 prior to the Closing Date, such Person (or Persons, as the case may be) shall nonetheless be deemed bound to any and all documents necessary to effect the transactions contemplated under the APA.

6. The Buyer shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to enforce any of its remedies under the APA or any other sale-related document. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the preceding sentence and the other provisions of this Sale Approval Order.

Transfer of the Acquired Assets

7. Pursuant to Sections 105(a), 363(b) and 363(f) of the Bankruptcy Code, the Acquired Assets shall be transferred to the Buyer, in accordance with the APA, and such transfer shall constitute a legal, valid, binding, and effective transfer of such Acquired Assets and shall vest the Buyer with title to the Acquired Assets, free and clear of any and all Claims, Liens, Interests and Encumbrances and other liabilities and claims, whether secured or unsecured, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, disputed or undisputed, or known or unknown, whether arising prior to or subsequent to the Petition Date, whether imposed by agreement, understanding, law, equity or otherwise, with all such Claims, Liens, Interests and Encumbrances to attach only to the proceeds of the sale with the same priority, validity, force, and effect, if any, as they now have in or against the Acquired Assets, subject to all claims and defenses the Debtors may possess with respect thereto. The Sale

Motion shall be deemed to provide sufficient notice as to the sale of the Acquired Assets free and clear of Claims, Liens, Interests and Encumbrances. All such Liens, Claims, Encumbrances and Interests released, terminated and discharged as to the Acquired Assets shall attach to the sale proceeds with the same validity, force and effect which they now have as against the Debtors, the estates or the Acquired Assets.

8. The provisions of this Sale Approval Order authorizing the sale of the Acquired Assets free and clear of Liens, Claims, Encumbrances and Interests, and the Assumed Liabilities, shall be self-executing, and neither the Debtors nor the Buyer shall be required to execute or file releases, termination statements, assignments, consents, or other instruments in order to effectuate, consummate and implement the provisions of this Sale Approval Order. However, the Debtors and the Buyer, and each of their respective officers, employees and agents, so long as the same remain employed by the Debtors, are hereby authorized and empowered to take all actions and execute and deliver any and all documents and instruments that either the Debtors or the Buyer deem necessary or appropriate to implement and effectuate the terms of the APA and this Sale Approval Order. Moreover, effective as of the Closing, the Buyer, its successors and assigns, shall be designated and appointed the Debtors' true and lawful attorney and attorneys, with full power of substitution, in the Debtors' name and stead, on behalf and for the benefit of the Buyer, its successors and assigns, to demand and receive any and all of the Acquired Assets and to give receipts and releases for and in respect of the Acquired Assets, or any part thereof, and from time to time to institute and prosecute in the Debtors' name, for the benefit of the Buyer, its successors and assigns, any and all proceedings at law, in equity or otherwise, which the Buyer, its successors and assigns, may deem proper for the collection or reduction to possession of any of the Acquired Assets, and to do all acts and things with respect to the

Acquired Assets which the Buyer, its successors and assigns, shall deem desirable. The foregoing powers are coupled with an interest and are and shall be irrevocable by the Debtors.

9. To the greatest extent available under applicable law, the Buyer shall be authorized, as of the Closing Date, to operate under any license, permit, registration and governmental authorization or approval of the Debtors with respect to the Acquired Assets, and all such licenses, permits, registrations and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date.

10. All persons and entities (including, but not limited to, the Debtors, creditors, equityholders, including, without limitation, employees, former employees and shareholders, administrative agencies, governmental departments, secretaries of state, federal, state and local officials) and their respective successors or assigns and any trustees thereof, shall be and are hereby permanently and forever barred, restrained and enjoined from commencing or continuing in any manner any action or other proceeding of any kind against the Acquired Assets or the Buyer and its successors or assigns as alleged successor or otherwise with respect to any Liens, Claims, Encumbrances and Interests of any kind and nature with respect to the Acquired Assets other than Assumed Liabilities, except as otherwise provided in the APA. If the proposed sale to the Buyer fails to close for any reason, then Liens, Claims, Encumbrances and Interests shall continue against the Acquired Assets unaffected by this Sale Approval Order.

11. Except for Assumed Liabilities as set forth in the APA, the transfer of the Acquired Assets pursuant to this Sale Approval Order shall not subject the Buyer to any liability with respect to any obligations incurred in connection with, or in any way related to the Acquired Assets, prior to the date of Closing or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or

in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable subordination or successor or transferee liability.

Assumption and Assignment to Buyer of Assumed Leases and Acquired Contracts

12. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the Closing of the Sale, the Debtors' assumption and assignment to the Buyer, and the Buyer's assumption on the terms set forth in the APA, of the Assumed Leases and Acquired Contracts specified in this Sale Approval Order is approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are deemed satisfied.

13. The Debtors are authorized in accordance with sections 105(a) and 365 of the Bankruptcy Code to (a) assume and assign to Buyer, effective upon the Closing of the Sale, the Assumed Leases and Acquired Contracts specified on Exhibit 2 to in this Sale Approval Order; and (b) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign and transfer the Assumed Leases and Acquired Contracts specified in this Sale Approval Order.

14. With respect to the Assumed Leases and Acquired Contracts: (a) each Assumed Lease and Acquired Contract, as applicable, is an unexpired lease or executory contract under section 365 of the Bankruptcy Code; (b) the Debtors may assume each of the Assumed Leases and Acquired Contracts in accordance with section 365 of the Bankruptcy Code; (c) the Debtors may assign each Assumed Lease and Acquired Contract in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assumed Lease or Acquired Contract that prohibit or condition the assignment of such Assumed Lease or Acquired Contract or allow the party to such Assumed Lease or Acquired Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Lease or Acquired Contract, constitute unenforceable anti-assignment provisions

which are void and of no force and effect; (d) all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of each Assumed Lease and Acquired Contract have been satisfied; and (e) upon Closing, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested in all right, title and interest of each Assumed Lease and Acquired Contract set forth on Exhibit 2 hereto.

15. Each of the Assumed Leases and Acquired Contracts specified on Exhibit 2 to this Sale Approval Order, upon assignment to the Buyer, shall be deemed to be valid and binding on the Buyer and in full force and effect and enforceable in accordance with their terms, and following such assignment, the Debtors and the estates shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, any liability for any breach of such Assumed Leases and Acquired Contracts occurring after such assignment.

16. Each non-Debtor party to an Assumed Lease and Acquired Contract specified in this Sale Approval Order is hereby barred and enjoined from asserting against the Buyer, the Debtors or the Debtors' estates (a) any default existing as of the date of the Sale Approval Hearing if such default was not raised or asserted in a timely manner prior to the entry of this Sale Approval Order or (b) any objection to the assumption and assignment of such non-Debtor party's Assumed Leases and Acquired Contracts or the Cure Cost, if any, of which the non-Debtor party was given notice prior to the Sale Hearing. The assignment of each such Assumed Leases and Acquired Contracts to the Buyer will not cause a default or otherwise allow the non-Debtor party thereto to terminate or adversely affect the Buyer's rights thereunder.

17. All defaults or other obligations of the Debtors under the Assumed Leases and Acquired Contracts arising or accruing prior to the satisfaction of the terms and conditions of the APA and the closing of the transactions contemplated under the APA (without giving effect to

any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Buyer or the Debtors (in accordance with the APA) by payment of the applicable Cure Costs (such amounts as established in accordance with this Sale Approval Order and set forth hereto on Exhibit 2) at the closing or as soon thereafter as practicable, and the Buyer shall have no liability or obligation with respect to defaults, breaches or other obligations incurred, arising or accruing prior to the Closing Date, except as otherwise expressly provided herein or in the APA.

18. The payment of the applicable Cure Costs, in the amounts set forth on Exhibit 2 hereto and in accordance with the APA, shall (a) effect a cure of all defaults existing thereunder as of the date that such Assumed Lease or Acquired Contract is assumed and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default. To the extent that any counterparty to an Assumed Lease or Acquired Contract did not object timely to its Cure Costs in accordance with the Procedures Order, such counterparty is deemed to have consented to such Cure Cost and the assignments of its respective Assumed Lease or Acquired Contract to the Buyer.

19. There shall be no rent accelerations, assignment fees, increases or any other fees charged to the Buyer or the Debtors as a result of the assumption, assignment and/or transfer of the Assumed Leases and Acquired Contracts.

20. The Debtors' or the Buyer's (or its designated affiliate's) promise to pay the Cure Costs and to perform the obligations under the Assumed Leases and Acquired Contracts after the Closing Date shall constitute adequate assurance of its future performance under the Assumed Leases and Acquired Contracts specified in this Sale Approval Order being assigned to it within the meaning of section 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

21. Notwithstanding anything to the contrary in this Sale Approval Order, no Acquired Contract or Assumed Lease shall be deemed to be assumed and assigned to the Buyer until the Closing of the sale.

22. The Cure Costs paid by Buyer shall be a use of the Cash Consideration of the Unadjusted Purchase Price payable at Closing to Debtors. Notwithstanding the sum of all Cure Costs set forth on Exhibit 2 hereto, Buyer shall in no event be liable for an aggregate amount of Cure Costs in excess of the Unadjusted Purchase Price.

23. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assumed Lease or Acquired Contract shall not be a waiver of such terms or conditions, or of the Debtors' and Buyer's rights to enforce every term and condition of the Assumed Leases and Acquired Contracts.

Additional Provisions

24. The transaction contemplated by the APA is undertaken by the Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale shall not affect the validity of the sale to the Buyer. The Buyer is a purchaser in good faith of the Acquired Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

25. The consideration provided by the Buyer for the Acquired Assets under the APA (a) shall be deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and under the other laws of the United States, any state, territory, possession or the District of Columbia and (b) is fair and reasonable and may not be avoided under section 363(n) or any other provision of the Bankruptcy Code, or otherwise.

26. The Buyer is not a “successor” to the Debtors or their estates by reason of any theory of law or equity, and the Buyer shall not assume, nor be deemed to assume, or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates including, but not limited to, any bulk sales law, successor liability, liability or responsibility for any claim against the Debtors or against an insider of the Debtors, or similar liability except as otherwise expressly provided in the APA, and the Sale Motion contains sufficient notice of such limitation in accordance with Bankruptcy Rules and applicable law. Except to the extent the Buyer assumes the Assumed Liabilities pursuant to the APA, neither the purchase of the Acquired Assets by the Buyer or its affiliates, nor the fact that the Buyer or its affiliates are using any of the Acquired Assets previously operated by the Debtors, will cause the Buyer or any of its affiliates to be deemed a successor in any respect to the Debtors’ businesses within the meaning of (i) any foreign, federal, state or local revenue, pension, ERISA, tax, labor, employment, antitrust, environmental, or other law, rule or regulation (including without limitation filing requirements under any such laws, rules or regulations), (ii) under any products liability law or doctrine with respect to the Debtors’ liability under such law, rule or regulation or doctrine, or under any product warranty liability law or doctrine with respect to the Debtors’ liability under such law, rule or regulation or doctrine, (iii) any employment or labor agreements, consulting agreements, severance arrangements, change-in-control agreements or other similar agreement to which the Debtors are a party, (iv) any pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of the Debtors, (v) the cessation of the Debtor’s operations, dismissal of employees, or termination of employment or labor agreements or pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, obligations that might otherwise arise from or pursuant to the Employee Retirement Income Security Act of 1974, as amended, the Fair Labor

Standard Act, Title VII of the Civil Rights Act of 1964, the Age Discrimination and Employment Act of 1967, the Federal Rehabilitation Act of 1973, the National Labor Relations Act, the Consolidated Omnibus Budget Reconciliation Act of 1985, COBRA, or the Worker Adjustment and Retraining Notification Act, (vi) environmental liabilities, debts, claims or obligations arising from conditions first existing on or prior to Closing (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), which may be asserted on any basis, including, without limitation, under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., (vii) any liabilities, debts or obligations of or required to be paid by, the Debtors for any taxes of any kind for any period, (viii) any liabilities, debts, commitments or obligations for any taxes relating to the operation of the Acquired Assets prior to Closing, and (ix) any litigation.

27. Each of the Debtors' creditors is hereby authorized and directed to execute such documents and take all other actions as may be necessary to release such creditor's Liens, Claims, Encumbrances and Interests in the Acquired Assets, if any, as such Liens, Claims, Encumbrances and Interests may have been recorded or may otherwise exist. If any person or entity that has filed financing statements, mortgages, mechanic's liens, *lis pendens*, or other documents or agreements evidencing any Liens, Claims, Encumbrances and Interests in, against or upon the Acquired Assets prior to the Closing Date of the sale, in proper form for filing and executed by the appropriate parties, and has not executed termination statements, instruments of satisfaction, releases of all Liens, Claims, Encumbrances and Interests which the person or entity has with respect to the Acquired Assets, then on the Closing Date, or as soon as possible thereafter, (a) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Buyer is hereby authorized on behalf of each of the Debtors'

creditors, to file, register, or otherwise record a certified copy of this Sale Approval Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Liens, Claims, Encumbrances and Interests in, against, or upon the Acquired Assets of any kind or nature whatsoever.

28. All entities that are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets are hereby directed to surrender possession of the Acquired Assets to the Buyer on the Closing Date, or as otherwise directed by the Buyer, with the Liens, Claims, Encumbrances and Interests of such entity to be satisfied solely from the proceeds of the sale.

29. Subject to the APA, this Sale Approval Order (a) is and shall be effective as a determination that, at Closing, all Liens, Claims, Encumbrances and Interests (except Assumed Liabilities) existing as to the Acquired Assets prior to the date of the Closing have been and hereby are unconditionally released, discharged and terminated as to the Acquired Assets, and that the conveyance described in this Sale Approval Order has been effected; (b) is and shall be effective to cause all Liens, Claims, Encumbrances and Interests (except Assumed Liabilities) to attach to and be perfected in the proceeds of the Sale of the Acquired Assets, in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets, without the need to file any financing statements or other evidence of perfection; and (c) is and shall be binding upon and govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record

or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.

30. The Debtors or the Buyer and any agent or representative of either of them, are each hereby authorized and empowered to serve upon all filing and recording officers a notice when filing or recording any instruments of transfer (including, without limitation, deeds, leases, and assignments, modifications and terminations of leases) in accordance with this Sale Approval Order and the APA to evidence and implement this paragraph of this Sale Approval Order. All filing and recording officers are hereby directed to accept, file and record all instruments of transfer including, without limitation, deeds, leases, and assignments, modifications and terminations of leases (if any) to be filed and recorded pursuant to and in accordance with this Sale Approval Order or the APA and the various documents related thereto.

31. This Court retains exclusive jurisdiction to (a) enforce and implement the terms and provisions of the APA, all amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith, (b) compel delivery of the Acquired Assets to the Buyer, (c) resolve any disputes arising under or related to the APA and related agreements, (d) enjoin and adjudicate the assertion of any Liens, Claims, Encumbrances and Interests against the Buyer or the Acquired Assets, and (e) interpret, implement and enforce the provisions of this Sale Approval Order.

32. As of the Closing, all agreements and all orders of this Court entered prior to the date hereof shall be deemed amended or modified solely to the extent required to permit the consummation of the transactions contemplated by this Sale Approval Order and the APA.

33. Nothing contained (a) in any plan of reorganization (or liquidation) confirmed in the Chapter 11 Cases, (b) the order of confirmation confirming any plan of reorganization (or liquidation), (c) any order dismissing the Chapter 11 Cases or converting it to a chapter 7

liquidation or (d) any order appointing an examiner or trustee in the case shall conflict with or derogate from the provisions of the APA or the terms of this Sale Approval Order and no such plan or order shall discharge the obligations of the Debtors under this Sale Approval Order or the APA or any documents or agreements delivered in connection therewith.

34. The terms and provisions of the APA, together with the terms and provisions of this Sale Approval Order, shall be binding in all respects upon, and inure to the benefit of, the Buyer, the Debtors, the Debtors' estates, any of Debtors' affiliates, successors and assigns, the Debtors' creditors, equityholders, including, without limitation, minority equityholders of the Debtors, and third parties, including, but not limited to persons asserting a Claim against or interest in the Debtors' estates or any of the Acquired Assets to be sold to the Buyer pursuant to the APA or any persons that are party to any Assumed Leases and Acquired Contracts specified in this Sale Approval Order or in a separate order of even date, and their respective successors and assigns. If a trustee or examiner is subsequently appointed in the Chapter 11 Cases, such trustee or examiner shall likewise be bound, in all respects, to the terms and provisions of this Sale Approval Order.

35. Notwithstanding anything to the contrary in this Sale Approval Order or the APA, to the extent any of the Acquired Assets consist of an interest in a consumer credit transaction subject to the Truth in Lending Act or an interest in a consumer credit contract (as defined in section 433.1 of title 16 of the Code of Federal Regulations), and if such interest is purchased under the APA, the Buyer shall remain subject to the claims and defenses that are related to such consumer credit transaction or such consumer credit contract, to the same extent as the Buyer would be subject to such claims and defenses of the consumer had such interest been purchased at a sale not under Bankruptcy Code section 363, as provided for in Bankruptcy Code section 363(o).

36. The failure specifically to include any particular provisions of the APA in this Sale Approval Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the APA be authorized and approved in its entirety.

37. To the extent permitted by Bankruptcy Code section 525, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets sold, transferred or conveyed to the Buyer on account of the filing or pendency of the Debtors' chapter 11 cases or the consummation of the transaction contemplated by the APA.

38. Subject to the terms of the APA, the APA and any related agreements may be waived, modified, amended, or supplemented by agreement of the Debtors and the Buyer, without further action or order of the Court; provided, however, that any such waiver, modification, amendment, or supplement is not material and substantially conforms to, and effectuates, the APA and any related agreements.

39. The provisions of this Order are non-severable and mutually dependent.

40. The provisions of Bankruptcy Rules 6004(h) and 6006(d) staying the effectiveness of this Sale Approval Order for fourteen days are hereby waived, and this Sale Approval Order shall be effective immediately upon entry.

41. To the extent that this Sale Approval Order is inconsistent with any prior order or pleading with respect to the Sale Motion in the Chapter 11 Cases, the terms of this Sale Approval Order shall govern.

Dated: May 10, 2011.

Section 1.4 Excluded Liabilities.

Notwithstanding anything to the contrary in this Agreement, Seller shall retain, and remain liable and obligated for any of its respective liabilities not otherwise expressly included in the Assumed Liabilities (collectively, the “**Excluded Liabilities**”).

ARTICLE II. CONSIDERATION

Section 2.1 Purchase Price.

The aggregate consideration for the Acquired Assets shall be (a) the sum of (i) \$10,000 in cash, plus (ii) the amount of On-Hand Cash and the On-Hand Inventory, each as determined pursuant to Section 2.2 (the amounts described in clauses (i) and (ii) together, the “**Unadjusted Purchase Price**”), subject to adjustment as provided in Section 2.3 (as so adjusted, the “**Final Purchase Price**”); and (b) the assumption by Buyer of the Assumed Liabilities (such assumption, together with the Final Purchase Price, the “**Total Consideration**”).

Section 2.2 On-Hand Inventory; On-Hand Cash.

Immediately after the close of business on the day before the Closing Date, but in no event later than 8:00 p.m., Seller and Buyer shall perform a physical count of all Inventory and will count the On-Hand Cash, in each case at the Group Two Restaurant. Seller shall create a written summation of the amount of (i) Inventory counted and its value, each subtotaled by restaurant and by type, and (ii) On-Hand Cash, all as reasonably approved by Buyer. A copy of the approved summations shall be provided to Buyer. The physical count of the Inventory and the

Inventory valuation shall be reasonable, but otherwise shall be based on and in accordance with Seller's prior practices and methodologies. The mutually agreed upon valuation of the Inventory shall be the value of the On-Hand Inventory for purposes of this Agreement. The mutually agreed amount of On-Hand Cash shall be the value of the On-Hand Cash for purposes of this Agreement.

Section 2.3 Prorations

Seller shall calculate, in good faith, prorated amounts (the "**Proration**") for (a) rent under the Real Property Lease, (b) prepaid expenses, (c) Rebates, (d) Property Taxes, (e) common area maintenance charges, and (f) charges for sewer, water, fuel, telephone, electricity and other utilities (items (a) through (f) together, the "**Prorated Amounts**"), as of the Closing Date for the Group Two Restaurant. For the Proration, Seller shall be liable to the extent the Prorated Amounts relate to any time period up to but not including the Closing Date and Buyer shall be liable to the extent the Prorated Amounts relate to periods including and after the Closing Date. The Proration shall credit Seller for any deposits included in the Acquired Assets. Seller shall provide Buyer the Proration, and reasonable supporting documentation, at least three (3) days prior to the Closing Date. The Proration shall be based on the latest available rates, valuations, readings, or such other information or documents that most accurately reflect current charges, if known, or otherwise reasonably estimate the outstanding charges for the Prorated Amounts as of the Closing Date. Notwithstanding that the Proration may contain Seller's good faith estimates to prorate one or more of the Prorated Amounts, the Proration shall be final unless based on materially incorrect information. On the Closing Date, the Unadjusted Purchase Price shall be (i) increased by the net amount of the Proration if such amount is in Seller's favor, and (ii) decreased by the net amount of the Proration if such amount is in Buyer's favor.

Section 2.4 Closing Payments At the Closing, Buyer shall pay the Unadjusted Purchase Price as follows:

- (a) by instruction to the Escrow Agent to release the Deposit from the Deposit Escrow Account, by wire transfer of immediately available funds to an account specified by Seller, or by the Bankruptcy Court, as the case may be; and
- (b) by wire transfer of immediately available funds of the remaining balance of the Final Purchase Price to an account specified by Seller, or the Bankruptcy Court, as the case may be.

ARTICLE III. CLOSING AND DELIVERIES

Section 3.1 Closing.

The consummation of the transactions contemplated by this Agreement (the "**Closing**") shall take place simultaneously with the Group One Closing, or at such other time as may be mutually agreed to by the parties (the "**Closing Date**"), and shall be effective as of 12:01 a.m. on the Closing Date. Subject to such different procedures agreed upon by the parties in writing, the Closing shall take place via a "paper" close wherein Buyer and Seller shall exchange such documents and instruments or copies thereof sufficient to effect the Closing by electronic or

other means without the use of a “roundtable” closing at a particular location. All proceedings to be taken and all documents to be executed and delivered by the parties at the Closing shall be deemed to have been taken and executed simultaneously and no proceedings shall be deemed to have been taken nor documents executed or delivered until all have been taken, executed and delivered.

Section 3.2 Seller’s Deliveries.

Seller shall execute (as appropriate) and deliver to Buyer or shall deposit with the Escrow Agent for the benefit of Buyer, at or prior to the Closing or such other time as set forth in this Agreement:

- (a) A bill of sale for all of the Acquired Assets that are tangible personal property, without representation, warranty or covenant of any kind, and any such other good and sufficient instruments of sale, transfer, conveyance and assignment as shall be necessary or appropriate to sell, transfer, convey and assign to Buyer, in accordance with the terms hereof, title to the Acquired Assets free and clear of all Liens, liabilities, claims, interests and encumbrances, other than Permitted Liens;
- (b) An agreement for the assumption of the Assumed Liabilities, without representation, warranty or covenant of any kind;
- (c) For all intangible Acquired Assets, including all Acquired Contracts, (i) an agreement of assumption and assignment, without any representation, warranty or covenant of any kind, or (ii) an Assignment Order effecting the same;
- (d) For the Leased Real Property, including the Real Property Lease, (i) an agreement of assignment and assumption, without any representation, warranty or covenant of any kind, or (ii) an Assignment Order effecting the same, in each case, sufficient to sell, transfer, convey and assign to Buyer, the Leased Real Property, including the Real Property Lease, free of all Liens, liabilities, claims, interests and encumbrances, other than Permitted Liens and the Assumed Liabilities;
- (e) A certificate, dated the Closing Date, signed by its Secretary, certifying to the accuracy of the matters set forth in Section 7.2(a);
- (f) All consents, orders and approvals of the Bankruptcy Court, including, without limitation, a certified copy of the Sale Order; and
- (g) Such other agreements, documents or instruments that Buyer or the Escrow Agent may reasonably request, the form and substance of which are acceptable to Buyer.

Section 3.3 Buyer’s Deliveries.

Buyer shall deliver to Seller or shall deposit with the Escrow Agent for the benefit of Seller at or prior to the Closing or such other time as set forth:

- (a) The Final Purchase Price in accordance with Section 2.4;
- (b) A duly executed counterpart by Buyer of each of the documents listed in Sections 3.2(b), (c), (d), and (i);
- (c) A certificate, dated the Closing Date, signed by its Secretary, certifying the accuracy of the matters set forth in Section 7.1(a); and
- (d) Such other agreements, documents or instruments that Seller may reasonably request, the form and substance of which are acceptable to Seller.

ARTICLE IV. REPRESENTATIONS AND WARRANTIES

Section 4.1 Representations and Warranties of Seller.

Seller hereby represents and warrants to Buyer as of the Execution Date as follows:

- (a) Authorization and Validity. Subject to the Bankruptcy Court's entry of the Sale Order, (i) Seller has all requisite power and authority to enter into this Agreement and any Ancillary Agreements to which Seller is a party and to perform its obligations hereunder and thereunder; and (ii) this Agreement constitutes Seller's valid and binding obligation, enforceable against Seller in accordance with its respective terms.
- (b) No Conflict or Violation. The execution, delivery and performance by Seller of this Agreement and any Ancillary Agreement to which Seller is a party does not violate or conflict with any provision of Seller's certificate of organization, operating agreement, or similar organizational documents.
- (c) Title to Assets. Seller owns, and has good, valid, and marketable title to, all of the Acquired Assets.
- (d) Consents and Approvals. Other than such consents, waivers, authorizations or approvals that have been obtained, and subject to Buyer's receipt of the Sale Order, no consent, waiver, authorization or approval of any Person or declaration, filing or registration with any Government is required in connection with the execution and delivery by Seller of this Agreement or the performance by Seller of its obligations hereunder.
- (e) Contracts. Seller has provided Buyer access to a correct and complete copy of each Acquired Contract (and all amendments, modifications, and supplements thereto). Subject to laws of general application relating to bankruptcy, insolvency and the relief of debtors, each of the Acquired Contracts is valid and in full force

and effect in accordance with its terms, and no option to renew or extend such Acquired Contracts has been missed or will lapse before the Closing.

- (f) Litigation. Except as set forth on Schedule 4.1(f) and for the Chapter 11 Cases and proceedings therein, there is no action, suit, or proceeding, in equity or at law, arbitration or administrative or other proceeding by or before any Person (including, without limitation, any Government), pending, or to Seller's knowledge, threatened in writing against Seller which, if adversely determined, would result in a material adverse effect on the Business or the Acquired Assets at any time before or after the Closing Date, and Seller has not received written notice that any of the Acquired Assets are subject to any judgment, order or decree entered in any material lawsuit or proceeding that would continue to affect the Acquired Assets after Closing, nor be binding on Buyer.
- (g) Lease. Except as set forth on Schedule 4.1(g), Seller owns and holds the leasehold estate purported to be granted by the Real Property Lease, and the Real Property Lease is in full force and effect and constitutes a valid and binding obligation of Seller, and no option to renew or extend such Real Property Lease has been missed or will lapse before the Closing.

Section 4.2Representations and Warranties of Buyer.

Buyer hereby represents and warrants to Seller as of the Execution Date as follows:

Section 9.3 Exclusive Remedy.

Following the Closing, the parties' sole and exclusive remedies for any claim arising out of or in connection with this Agreement shall be those set forth in this Article IX.

Except as to the Deposit, which amount shall not be estate property and shall be segregated and held in trust for Buyer, any and all amounts owed to Buyer by Seller hereunder or under any Ancillary Agreement after the Execution Date shall constitute allowed administrative expenses in Seller's Chapter 11 Case under section 503(b)(1) of the Bankruptcy Code.

Section 10.2 Employees.

- (b) Buyer shall offer to hire at least seventy percent (70%) of Seller's employees that are working for the Business immediately before the Closing Date, under whatever terms Buyer may determine in its sole and absolute discretion, provided that Buyer may select in its discretion the employees it chooses to hire. Subject to the foregoing, Buyer shall not be obligated to hire any additional terminated employees. Seller shall reasonably cooperate with Buyer in Buyer's efforts to hire terminated employees. Notwithstanding the foregoing, if the insurance proceeds or award are payable to the landlord or mortgagee for the Leased Real Property and either such party (i) has no obligation to rebuild the affected Acquired Asset(s) and (ii) has determined not to so rebuild, Buyer shall be deemed to have elected option (a) above. For so long as Seller is subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court.

Section 10.9 Expenses.

Except as otherwise provided in this Agreement, Seller and Buyer shall pay their own expenses in connection with this Agreement and the transactions contemplated hereby, including, without limitation, any legal and accounting fees, whether or not the transactions contemplated hereby are consummated. Buyer shall pay the cost of all surveys, title insurance policies and title reports ordered or requested by Buyer or any Related Person thereto.

Section 10.10 Broker's and Finder's Fees.

Neither Seller nor Buyer has engaged any broker or finder in connection with any of the transactions contemplated by this Agreement other than Mastodon Ventures, Inc., whose fees and expenses shall, as between the parties, be the sole responsibility of Seller, and, insofar as such party knows, no other broker or other Person is entitled to any commission or finder's fee in connection with any of the transactions contemplated by this Agreement.

Section 10.11 Severability.

In the event that any part of this Agreement is declared by any court or other judicial or administrative body to be null, void or unenforceable, said provision shall survive to the extent it is not so declared, and all of the other provisions of this Agreement shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as set forth on the Execution Date.

Based on the Sale Motion, the arguments of counsel, all the files, records and proceedings herein, the Court being advised in the premises, and for those reasons stated orally and recorded in open court following the close of evidence:

IT IS HEREBY FOUND THAT:²

A. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334 and Local Rule 1070-1.

B. Venue of the Debtors’ chapter 11 cases (the “Chapter 11 Cases”) in this District is proper pursuant to 28 U.S.C. § 1409(a).

C. Determination of the Sale Motion is a core proceeding under 28 U.S.C. § 157(b)(2)(A) and (N). The statutory predicates for the relief requested herein are sections 105(a), 363(b), (f) and (m), and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Sale Approval Order, and expressly directs entry of judgment as set forth herein.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Bankruptcy Rule 7052. B. To the extent any of the findings of fact contained herein constitute conclusions of law, they are adopted as such. To the extent any of the conclusions of law contained herein constitute findings of fact, they are adopted as such.

E. A hearing on the Debtors' Motion for an Order Approving Sale and Bidding Procedures was held by this Court on January 24, 2011, and, on that date, the Court entered the Order Approving Sale and Bidding Procedures (the "Procedures Order"). The Debtors and the Buyer have complied with the Procedures Order in all respects.

F. Pursuant to the Procedures Order, the Group Two Auction was conducted on April 26, 2011, by the Debtors, in consultation with the advisors and investment banker, Mastodon Ventures, Inc. The Sale Procedures Order (as amended)³ set May 10, 2011 as the date of the hearing (the "Sale Approval Hearing") for an order to approve the sale.

G. On April 11, 2011, the Debtors filed the Sale Motion and served copies of the Sale Motion in compliance with Local Rule 9013-3(a)(2). On April 18, 2011, the Debtors served the Notice of Sale Approval Hearing in compliance with this Court's orders. On April 18, 2011, the Debtors served the Notice Concerning Unexpired Leases and Executory Contracts and Establishing Cure Costs on the counterparties to such leases and contracts.

H. Based upon the foregoing and the certificates of service and publication filed with the Court, due, proper, timely, adequate and sufficient notice of the Sale Motion, the initial hearing on the Sale Motion, the Group Two Auction, the Sale Approval Hearing, the sale of the Acquired Assets, the proposed assumption and assignment of the Assumed Leases and Acquired Contracts and the proposed rejection of the contracts has been provided in accordance with sections 102(1), 363(b) and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007 and 9008 and in compliance with the Procedures Order and no other or further notice of the Sale Motion, the initial hearing on the Sale Motion, the Group Two Auction, the Sale Approval Hearing, the sale of the Acquired Assets, the proposed assumption and assignment of

³ The timeline set forth in the Procedures Order was subsequently amended by stipulation.

the Assumed Leases and Acquired Contracts or the entry of this Sale Approval Order is required or necessary.

I. All parties in interest, including, without limitation, all parties who claim an interest in or lien upon the Acquired Assets, all shareholders of the Debtors, all federal, state and local environmental authorities, and all U.S. or foreign federal, state and local governmental taxing authorities who have, or as a result of the sale of Acquired Assets may have, claims, contingent or otherwise against the Debtors, have been given a reasonably opportunity to object and be heard, regarding the relief requested in the Sale Motion. All objections to the Sale Motion were resolved, withdrawn or overruled at the Sale Approval Hearing.

J. As demonstrated by the testimony or other evidence proffered or adduced at the Sale Approval Hearing: (i) the offer from the Buyer constitutes the highest and best offer for the Acquired Assets; (ii) the Debtors conducted an auction process in accordance with, and have otherwise complied in all respects with, the Procedures Order; (iii) the auction process set forth in the Procedures Order afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets; and (iv) the Group Two Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner and a reasonable opportunity has been given to any interested party to make a higher and better offer for the Acquired Assets.

K. In accordance with the Procedures Order, the APA was deemed a Qualified Bid (as defined in the Sale Procedures) and was eligible to participate at the Group Two Auction.

L. The APA constitutes the highest and best offer for the Acquired Assets, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the APA constitutes the highest and best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment.

M. The APA represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Cases. No other person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Buyer.

N. The purchase price as set forth in the APA (the "Purchase Price") for the Acquired Assets is fair and reasonable, and constitutes reasonable consideration and reasonably equivalent value (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code) under the Bankruptcy Code and under the laws of the United States, any state, territory, possession or the District of Columbia. Approval of the APA and the sale of the Acquired Assets in accordance with this Sale Approval Order and the APA are in the best interests of the Debtors' estates, creditors and other parties in interest. The terms of the APA were negotiated at arms' length and are fair and reasonable under the circumstances.

O. The APA was not entered into for the purpose of hindering, delaying or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtors nor the Buyer is entering into the transactions contemplated by the APA fraudulently for the purpose of statutory and common law fraudulent conveyance and fraudulent transfer claims.

P. The Debtors have demonstrated compelling circumstances and good, sufficient and sound business purposes for the sale of the Acquired Assets pursuant to section 363(b) of the Bankruptcy Code outside of a plan of reorganization.

Q. Each of the Debtors, as applicable, (i) has full corporate or other power to execute, deliver and perform its obligations under the APA and all other documents contemplated thereby or entered into in connection therewith, and the Sale of the Acquired

Assets by the Debtors has, in each case, been duly and validly authorized by all necessary corporate or similar action, and (ii) has taken all action necessary to authorize and approve the APA and such other documents contemplated thereby and the consummation by them of the transactions contemplated thereby or entered into connection therewith. No third-party approvals, other than those expressly provided for in the APA, if any, are required by the Debtors to consummate such transactions.

R. The Debtors are authorized and directed to sell and transfer the Acquired Assets free and clear of all mortgages, restrictions, hypothecations, charges, indentures, loan agreements, instruments, leases, licenses, options, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, liens (including, without limitation, mechanics', materialmens' and other consensual and non-consensual liens and statutory liens), judgments, demands, rights of first refusal (other than the rights of first refusal of Burger King Corporation under applicable franchise agreements) offsets, contracts, recoupment, rights of recovery, claims for reimbursement, contribution, indemnity, exoneration, products liability, alter-ego, environmental, or tax, decrees of any court or foreign or domestic governmental entity, or charges of any kind or nature, if any, including, but not limited to, any restriction on the use, voting, transfer, receipt of income or other exercise of any attributes of ownership, debts arising in any way in connection with any agreements, acts, or failures to act, of the Debtors or the Debtors' predecessors or affiliates, claims (as that term is used in the Bankruptcy Code), reclamation claims, obligations, liabilities, demands, guaranties, options, rights, contractual or other commitments, restrictions, interests and matters of any kind and nature, whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed

or undisputed, whether arising prior to or subsequent to the commencement of the bankruptcy case, and whether imposed by agreement, understanding, law, equity or otherwise, including claims otherwise arising under doctrines of successor liability (collectively, “Liens, Claims, Encumbrances and Interests”) with such Liens, Claims, Encumbrances and Interests to attach to the consideration to be received by the Debtors in the same priority and subject to the same defenses and avoidability, if any, as before the Closing, and Buyer would not enter into the APA to purchase the Acquired Assets otherwise.

S. Those holders of Liens, Claims, Encumbrances and Interests against the Debtors, their estates or any of the Acquired Assets who did not object, or who withdrew their objections, to the sale or the Sale Motion are deemed to have consented to the sale pursuant to section 363(f)(2) of the Bankruptcy Code. The Debtors have met the requirements of section 363(f) with respect to all other holders of Liens, Claims, Encumbrances and Interests as such Claim holders will have their Liens, Claims, Encumbrances and Interests, if any, in each instance against the Debtors, their estates or any of the Acquired Assets, attach to the net cash proceeds of the sale ultimately attributable to the Acquired Assets, in which such creditor alleges a Claim, in the same order of priority, with the same validity, force and effect that such Liens, Claims, Encumbrances and Interests had prior to the sale, subject to any claims and defenses the Debtors and their estates may possess with respect thereto.

T. The Buyer would not have entered into the APA and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates and their creditors, if the sale of the Acquired Assets to the Buyer, the assumption of liabilities and obligations as set forth in the APA by the Buyer and the assignment of the Assumed Leases and Acquired Contracts were not free and clear of all Liens, Claims, Encumbrances and Interests.

U. The APA was negotiated, proposed and entered into by the parties in good faith, from arms' length bargaining positions and without collusion.

V. The Debtors have followed in good faith the procedures for notice and sale of the Acquired Assets as set forth in the Procedures Order.

W. The Buyer is not an "insider" or "affiliate" of the Debtors (as each such term is defined in the Bankruptcy Code). Neither the Debtors nor the Buyer have engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code or cause the application of section 363(n) of the Bankruptcy Code to the sale and the transactions contemplated by the APA. Specifically, the Buyer has not acted in a collusive manner with any person and the aggregate price paid by Buyer for the Acquired Assets was not controlled by any agreement among the bidders.

X. The Buyer is entitled to the protections afforded under section 363(m) of the Bankruptcy Code because the Buyer is a good faith purchaser in that, *inter alia*: (i) except as set forth in the Procedures Order, the Buyer recognized that the Debtors were free to deal with any other party interested in acquiring the Acquired Assets; (ii) the Buyer complied with the provisions in the Procedures Order; (iii) the Buyer agreed to subject its bid to the competitive bidding procedures set forth in the Procedures Order; (iv) the Buyer in no way induced or caused the chapter 11 filings by the Debtors; (v) all payments to be made by the Buyer in connection with the sale have been disclosed; (vi) no common identity of directors or controlling stockholders exists between the Buyer and any of the Debtors; and (vii) the negotiation and execution of the APA was at arms' length and in good faith.

Y. In the absence of a stay pending appeal, if any, if the Closing occurs at any time after entry of this Sale Approval Order, then, with respect to the APA, the Buyer, as a purchaser in good faith of the Acquired Assets, shall be entitled to the protections of section 363(m) of the

Bankruptcy Code if this Sale Approval Order or any authorization contained herein is reversed or modified on appeal.

Z. The Debtors are the sole and lawful owners of the Acquired Assets. Effective as of the Closing, the transfer of the Acquired Assets is or will (i) be legal, valid and effective transfers of property of the Debtors' estates to the Buyer, as more particularly set forth in the APA, and (ii) vest the Buyer with all right, title, and interest of the Debtors and the Debtors' estates in and to the Acquired Assets free and clear of all Liens, Claims, Encumbrances and Interests under sections 363(f) and 105 of the Bankruptcy Code.

AA. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign those Assumed Leases and Acquired Contracts, as defined in the APA and described on Schedules B and 1.1(g) to the APA, including any amendments or modifications to such exhibits as agreed to by the Debtors and Buyer pursuant to the APA, in connection with the consummation of the sale of Acquired Assets, and the assumption and assignment of the Assumed Leases and Acquired Contracts is in the best interests of the Debtors, their estates, their creditors and their equityholders.

BB. The Assumed Leases and Acquired Contracts being assigned to the Buyer as set forth in the APA are an integral part of the Debtors' businesses being purchased by the Buyer and, accordingly, such assumption and assignment of Assumed Leases and Acquired Contracts is reasonable, enhances the value of the Debtors' estates, and does not constitute unfair discrimination.

CC. The Assumed Leases and Acquired Contracts are unexpired leases or executory contracts within the meaning of the Bankruptcy Code.

DD. All amounts which are required to be paid in connection with the assumption and assignment of the Assumed Leases and Acquired Contracts that are due or owing under sections

365(b)(1)(A) and (B), and 365(f)(2)(A) of the Bankruptcy Code to (i) cure any defaults under the Assumed Leases and Acquired Contracts specified in this Sale Approval Order or (ii) pay all actual or pecuniary losses that have resulted from such defaults (except with respect to those liabilities expressly assumed by the Buyer pursuant to the APA) are set forth on Exhibit 2 hereto (the “Cure Costs”).

EE. Any objections to the Cure Costs associated with such Assumed Leases and Acquired Contracts are resolved as set forth on Exhibit 2 to this Sale Approval Order. To the extent that any counterparty failed to timely object to (i) the proposed assumption and assignment of the applicable Assumed Lease or Acquired Contract or (ii) the Cure Cost associated with the applicable Assumed Lease or Acquired Contract, such counterparty is deemed to have consented to such Cure Cost and the assumption and assignments of its respective Assumed Lease or Acquired Contract to the Buyer as expressly set forth on Exhibit 2 to this Sale Approval Order.

FF. The promises of Buyer and/or the Debtors to pay the Cure Costs and the Buyer’s promise to perform the obligations under the Assumed Leases and Acquired Contracts after the Closing shall constitute adequate assurance of its future performance under the Assumed Leases and Acquired Contracts specified in this Sale Approval Order that are being assigned to it within the meaning of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

GG. Adequate notice and opportunity to be heard was provided to counterparties to executory contracts and unexpired leases to be assumed and assigned pursuant to this Sale Approval Order. Further, counterparties received adequate notice and an opportunity to object to the amount of any Cure Costs owed by the Debtors’ estates on account of any executory contract or unexpired lease to be assumed and assigned to the Buyer under the APA.

HH. The assumption and assignment of the Assumed Leases and Acquired Contracts is integral to the APA and is in the best interests of the Debtors and their estates, creditors and equityholders and represents the exercise of the Debtors' sound business judgment.

II. Any objections to the assumption and assignment of any of the Assumed Leases and Acquired Contracts to the Buyer are hereby overruled.

JJ. Neither the Buyer nor its affiliates shall be deemed, as a result of any action taken in connection with the purchase of the Acquired Assets, to: (i) be a successor (or other such similarly situated party) to any of the Debtors (other than with respect to the Assumed Liabilities as expressly stated in the APA); (ii) have, de facto or otherwise, merged with or into any of the Debtors; (iii) be a mere continuation of the Debtors or their estates (and there is no continuity of enterprise between the Buyer and the Debtors); or (iv) be holding itself out to the public as a continuation of the Debtors. The Buyer is not acquiring or assuming any liability, warranty or other obligation of the Debtors, except as expressly set forth in the APA with respect to the Assumed Liabilities.

KK. The Debtors have good, valid and marketable title to all of the Acquired Assets. The Acquired Assets are to be transferred free and clear of any and all Liens, Claims, Encumbrances and Interests. All of the Acquired Assets are, or will on the Closing Date, be owned by the Debtors and will be transferred under the APA.

LL. Other than the Assumed Liabilities, the Buyer shall have no obligations with respect to any liabilities of the Debtors, including, without limitation, the Excluded Liabilities, and the Debtors and their estates will release and forever discharge the Buyer and any of its affiliates, its successors and assigns from any and all claims, causes of action, obligations, liabilities, demands, losses, costs and expenses of any kind, character or nature whatsoever,

known or unknown, fixed or contingent, relating to the sale, except for liabilities and obligations under the APA.

All such Liens, Claims, Encumbrances and Interests released, terminated and discharged as to the Acquired Assets shall attach to the sale proceeds with the same validity, force and effect which they now have as against the Debtors, the estates or the Acquired Assets.

8. The provisions of this Sale Approval Order authorizing the sale of the Acquired Assets free and clear of Liens, Claims, Encumbrances and Interests, and the Assumed Liabilities, shall be self-executing, and neither the Debtors nor the Buyer shall be required to execute or file releases, termination statements, assignments, consents, or other instruments in order to effectuate, consummate and implement the provisions of this Sale Approval Order. However, the Debtors and the Buyer, and each of their respective officers, employees and agents, so long as the same remain employed by the Debtors, are hereby authorized and empowered to take all actions and execute and deliver any and all documents and instruments that either the Debtors or the Buyer deem necessary or appropriate to implement and effectuate the terms of the APA and this Sale Approval Order. Moreover, effective as of the Closing, the Buyer, its successors and assigns, shall be designated and appointed the Debtors' true and lawful attorney and attorneys, with full power of substitution, in the Debtors' name and stead, on behalf and for the benefit of the Buyer, its successors and assigns, to demand and receive any and all of the Acquired Assets and to give receipts and releases for and in respect of the Acquired Assets, or any part thereof, and from time to time to institute and prosecute in the Debtors' name, for the benefit of the Buyer, its successors and assigns, any and all proceedings at law, in equity or otherwise, which the Buyer, its successors and assigns, may deem proper for the collection or reduction to possession of any of the Acquired Assets, and to do all acts and things with respect to the

Acquired Assets which the Buyer, its successors and assigns, shall deem desirable. The foregoing powers are coupled with an interest and are and shall be irrevocable by the Debtors.

9. To the greatest extent available under applicable law, the Buyer shall be authorized, as of the Closing Date, to operate under any license, permit, registration and governmental authorization or approval of the Debtors with respect to the Acquired Assets, and all such licenses, permits, registrations and governmental authorizations and approvals are deemed to have been, and hereby are, directed to be transferred to the Buyer as of the Closing Date.

10. All persons and entities (including, but not limited to, the Debtors, creditors, equityholders, including, without limitation, employees, former employees and shareholders, administrative agencies, governmental departments, secretaries of state, federal, state and local officials) and their respective successors or assigns and any trustees thereof, shall be and are hereby permanently and forever barred, restrained and enjoined from commencing or continuing in any manner any action or other proceeding of any kind against the Acquired Assets or the Buyer and its successors or assigns as alleged successor or otherwise with respect to any Liens, Claims, Encumbrances and Interests of any kind and nature with respect to the Acquired Assets other than Assumed Liabilities, except as otherwise provided in the APA. If the proposed sale to the Buyer fails to close for any reason, then Liens, Claims, Encumbrances and Interests shall continue against the Acquired Assets unaffected by this Sale Approval Order.

11. Except for Assumed Liabilities as set forth in the APA, the transfer of the Acquired Assets pursuant to this Sale Approval Order shall not subject the Buyer to any liability with respect to any obligations incurred in connection with, or in any way related to the Acquired Assets, prior to the date of Closing or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or

in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable subordination or successor or transferee liability.

Assumption and Assignment to Buyer of Assumed Leases and Acquired Contracts

12. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the Closing of the Sale, the Debtors' assumption and assignment to the Buyer, and the Buyer's assumption on the terms set forth in the APA, of the Assumed Leases and Acquired Contracts specified in this Sale Approval Order is approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are deemed satisfied.

13. The Debtors are authorized in accordance with sections 105(a) and 365 of the Bankruptcy Code to (a) assume and assign to Buyer, effective upon the Closing of the Sale, the Assumed Leases and Acquired Contracts specified on Exhibit 2 to in this Sale Approval Order; and (b) execute and deliver to the Buyer such documents or other instruments as may be necessary to assign and transfer the Assumed Leases and Acquired Contracts specified in this Sale Approval Order.

14. With respect to the Assumed Leases and Acquired Contracts: (a) each Assumed Lease and Acquired Contract, as applicable, is an unexpired lease or executory contract under section 365 of the Bankruptcy Code; (b) the Debtors may assume each of the Assumed Leases and Acquired Contracts in accordance with section 365 of the Bankruptcy Code; (c) the Debtors may assign each Assumed Lease and Acquired Contract in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assumed Lease or Acquired Contract that prohibit or condition the assignment of such Assumed Lease or Acquired Contract or allow the party to such Assumed Lease or Acquired Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Lease or Acquired Contract, constitute unenforceable anti-assignment provisions

which are void and of no force and effect; (d) all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of each Assumed Lease and Acquired Contract have been satisfied; and (e) upon Closing, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested in all right, title and interest of each Assumed Lease and Acquired Contract set forth on Exhibit 2 hereto.

15. Each of the Assumed Leases and Acquired Contracts specified on Exhibit 2 to this Sale Approval Order, upon assignment to the Buyer, shall be deemed to be valid and binding on the Buyer and in full force and effect and enforceable in accordance with their terms, and following such assignment, the Debtors and the estates shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, any liability for any breach of such Assumed Leases and Acquired Contracts occurring after such assignment.

16. Each non-Debtor party to an Assumed Lease and Acquired Contract specified in this Sale Approval Order is hereby barred and enjoined from asserting against the Buyer, the Debtors or the Debtors' estates (a) any default existing as of the date of the Sale Approval Hearing if such default was not raised or asserted in a timely manner prior to the entry of this Sale Approval Order or (b) any objection to the assumption and assignment of such non-Debtor party's Assumed Leases and Acquired Contracts or the Cure Cost, if any, of which the non-Debtor party was given notice prior to the Sale Hearing. The assignment of each such Assumed Leases and Acquired Contracts to the Buyer will not cause a default or otherwise allow the non-Debtor party thereto to terminate or adversely affect the Buyer's rights thereunder.

17. All defaults or other obligations of the Debtors under the Assumed Leases and Acquired Contracts arising or accruing prior to the satisfaction of the terms and conditions of the APA and the closing of the transactions contemplated under the APA (without giving effect to

any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Buyer or the Debtors (in accordance with the APA) by payment of the applicable Cure Costs (such amounts as established in accordance with this Sale Approval Order and set forth hereto on Exhibit 2) at the closing or as soon thereafter as practicable, and the Buyer shall have no liability or obligation with respect to defaults, breaches or other obligations incurred, arising or accruing prior to the Closing Date, except as otherwise expressly provided herein or in the APA.

18. The payment of the applicable Cure Costs, in the amounts set forth on Exhibit 2 hereto and in accordance with the APA, shall (a) effect a cure of all defaults existing thereunder as of the date that such Assumed Lease or Acquired Contract is assumed and (b) compensate for any actual pecuniary loss to such non-Debtor party resulting from such default. To the extent that any counterparty to an Assumed Lease or Acquired Contract did not object timely to its Cure Costs in accordance with the Procedures Order, such counterparty is deemed to have consented to such Cure Cost and the assignments of its respective Assumed Lease or Acquired Contract to the Buyer.

19. There shall be no rent accelerations, assignment fees, increases or any other fees charged to the Buyer or the Debtors as a result of the assumption, assignment and/or transfer of the Assumed Leases and Acquired Contracts.

20. The Debtors' or the Buyer's (or its designated affiliate's) promise to pay the Cure Costs and to perform the obligations under the Assumed Leases and Acquired Contracts after the Closing Date shall constitute adequate assurance of its future performance under the Assumed Leases and Acquired Contracts specified in this Sale Approval Order being assigned to it within the meaning of section 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

21. Notwithstanding anything to the contrary in this Sale Approval Order, no Acquired Contract or Assumed Lease shall be deemed to be assumed and assigned to the Buyer until the Closing of the sale.

22. The Cure Costs paid by Buyer shall be a use of the Cash Consideration of the Unadjusted Purchase Price payable at Closing to Debtors. Notwithstanding the sum of all Cure Costs set forth on Exhibit 2 hereto, Buyer shall in no event be liable for an aggregate amount of Cure Costs in excess of the Unadjusted Purchase Price.

23. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assumed Lease or Acquired Contract shall not be a waiver of such terms or conditions, or of the Debtors' and Buyer's rights to enforce every term and condition of the Assumed Leases and Acquired Contracts.

Additional Provisions

24. The transaction contemplated by the APA is undertaken by the Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale shall not affect the validity of the sale to the Buyer. The Buyer is a purchaser in good faith of the Acquired Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

25. The consideration provided by the Buyer for the Acquired Assets under the APA (a) shall be deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and under the other laws of the United States, any state, territory, possession or the District of Columbia and (b) is fair and reasonable and may not be avoided under section 363(n) or any other provision of the Bankruptcy Code, or otherwise.

26. The Buyer is not a “successor” to the Debtors or their estates by reason of any theory of law or equity, and the Buyer shall not assume, nor be deemed to assume, or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates including, but not limited to, any bulk sales law, successor liability, liability or responsibility for any claim against the Debtors or against an insider of the Debtors, or similar liability except as otherwise expressly provided in the APA, and the Sale Motion contains sufficient notice of such limitation in accordance with Bankruptcy Rules and applicable law. Except to the extent the Buyer assumes the Assumed Liabilities pursuant to the APA, neither the purchase of the Acquired Assets by the Buyer or its affiliates, nor the fact that the Buyer or its affiliates are using any of the Acquired Assets previously operated by the Debtors, will cause the Buyer or any of its affiliates to be deemed a successor in any respect to the Debtors’ businesses within the meaning of (i) any foreign, federal, state or local revenue, pension, ERISA, tax, labor, employment, antitrust, environmental, or other law, rule or regulation (including without limitation filing requirements under any such laws, rules or regulations), (ii) under any products liability law or doctrine with respect to the Debtors’ liability under such law, rule or regulation or doctrine, or under any product warranty liability law or doctrine with respect to the Debtors’ liability under such law, rule or regulation or doctrine, (iii) any employment or labor agreements, consulting agreements, severance arrangements, change-in-control agreements or other similar agreement to which the Debtors are a party, (iv) any pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of the Debtors, (v) the cessation of the Debtor’s operations, dismissal of employees, or termination of employment or labor agreements or pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, obligations that might otherwise arise from or pursuant to the Employee Retirement Income Security Act of 1974, as amended, the Fair Labor

Standard Act, Title VII of the Civil Rights Act of 1964, the Age Discrimination and Employment Act of 1967, the Federal Rehabilitation Act of 1973, the National Labor Relations Act, the Consolidated Omnibus Budget Reconciliation Act of 1985, COBRA, or the Worker Adjustment and Retraining Notification Act, (vi) environmental liabilities, debts, claims or obligations arising from conditions first existing on or prior to Closing (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), which may be asserted on any basis, including, without limitation, under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., (vii) any liabilities, debts or obligations of or required to be paid by, the Debtors for any taxes of any kind for any period, (viii) any liabilities, debts, commitments or obligations for any taxes relating to the operation of the Acquired Assets prior to Closing, and (ix) any litigation.

27. Each of the Debtors' creditors is hereby authorized and directed to execute such documents and take all other actions as may be necessary to release such creditor's Liens, Claims, Encumbrances and Interests in the Acquired Assets, if any, as such Liens, Claims, Encumbrances and Interests may have been recorded or may otherwise exist. If any person or entity that has filed financing statements, mortgages, mechanic's liens, *lis pendens*, or other documents or agreements evidencing any Liens, Claims, Encumbrances and Interests in, against or upon the Acquired Assets prior to the Closing Date of the sale, in proper form for filing and executed by the appropriate parties, and has not executed termination statements, instruments of satisfaction, releases of all Liens, Claims, Encumbrances and Interests which the person or entity has with respect to the Acquired Assets, then on the Closing Date, or as soon as possible thereafter, (a) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Buyer is hereby authorized on behalf of each of the Debtors'

creditors, to file, register, or otherwise record a certified copy of this Sale Approval Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all Liens, Claims, Encumbrances and Interests in, against, or upon the Acquired Assets of any kind or nature whatsoever.

28. All entities that are presently, or on the Closing Date may be, in possession of some or all of the Acquired Assets are hereby directed to surrender possession of the Acquired Assets to the Buyer on the Closing Date, or as otherwise directed by the Buyer, with the Liens, Claims, Encumbrances and Interests of such entity to be satisfied solely from the proceeds of the sale.

29. Subject to the APA, this Sale Approval Order (a) is and shall be effective as a determination that, at Closing, all Liens, Claims, Encumbrances and Interests (except Assumed Liabilities) existing as to the Acquired Assets prior to the date of the Closing have been and hereby are unconditionally released, discharged and terminated as to the Acquired Assets, and that the conveyance described in this Sale Approval Order has been effected; (b) is and shall be effective to cause all Liens, Claims, Encumbrances and Interests (except Assumed Liabilities) to attach to and be perfected in the proceeds of the Sale of the Acquired Assets, in the order of their priority, with the same validity, force and effect which they now have as against the Acquired Assets, without the need to file any financing statements or other evidence of perfection; and (c) is and shall be binding upon and govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record

or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.

30. The Debtors or the Buyer and any agent or representative of either of them, are each hereby authorized and empowered to serve upon all filing and recording officers a notice when filing or recording any instruments of transfer (including, without limitation, deeds, leases, and assignments, modifications and terminations of leases) in accordance with this Sale Approval Order and the APA to evidence and implement this paragraph of this Sale Approval Order. All filing and recording officers are hereby directed to accept, file and record all instruments of transfer including, without limitation, deeds, leases, and assignments, modifications and terminations of leases (if any) to be filed and recorded pursuant to and in accordance with this Sale Approval Order or the APA and the various documents related thereto.

31. This Court retains exclusive jurisdiction to (a) enforce and implement the terms and provisions of the APA, all amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith, (b) compel delivery of the Acquired Assets to the Buyer, (c) resolve any disputes arising under or related to the APA and related agreements, (d) enjoin and adjudicate the assertion of any Liens, Claims, Encumbrances and Interests against the Buyer or the Acquired Assets, and (e) interpret, implement and enforce the provisions of this Sale Approval Order.

32. As of the Closing, all agreements and all orders of this Court entered prior to the date hereof shall be deemed amended or modified solely to the extent required to permit the consummation of the transactions contemplated by this Sale Approval Order and the APA.

33. Nothing contained (a) in any plan of reorganization (or liquidation) confirmed in the Chapter 11 Cases, (b) the order of confirmation confirming any plan of reorganization (or liquidation), (c) any order dismissing the Chapter 11 Cases or converting it to a chapter 7

liquidation or (d) any order appointing an examiner or trustee in the case shall conflict with or derogate from the provisions of the APA or the terms of this Sale Approval Order and no such plan or order shall discharge the obligations of the Debtors under this Sale Approval Order or the APA or any documents or agreements delivered in connection therewith.

34. The terms and provisions of the APA, together with the terms and provisions of this Sale Approval Order, shall be binding in all respects upon, and inure to the benefit of, the Buyer, the Debtors, the Debtors' estates, any of Debtors' affiliates, successors and assigns, the Debtors' creditors, equityholders, including, without limitation, minority equityholders of the Debtors, and third parties, including, but not limited to persons asserting a Claim against or interest in the Debtors' estates or any of the Acquired Assets to be sold to the Buyer pursuant to the APA or any persons that are party to any Assumed Leases and Acquired Contracts specified in this Sale Approval Order or in a separate order of even date, and their respective successors and assigns. If a trustee or examiner is subsequently appointed in the Chapter 11 Cases, such trustee or examiner shall likewise be bound, in all respects, to the terms and provisions of this Sale Approval Order.

35. Notwithstanding anything to the contrary in this Sale Approval Order or the APA, to the extent any of the Acquired Assets consist of an interest in a consumer credit transaction subject to the Truth in Lending Act or an interest in a consumer credit contract (as defined in section 433.1 of title 16 of the Code of Federal Regulations), and if such interest is purchased under the APA, the Buyer shall remain subject to the claims and defenses that are related to such consumer credit transaction or such consumer credit contract, to the same extent as the Buyer would be subject to such claims and defenses of the consumer had such interest been purchased at a sale not under Bankruptcy Code section 363, as provided for in Bankruptcy Code section 363(o).

36. The failure specifically to include any particular provisions of the APA in this Sale Approval Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the APA be authorized and approved in its entirety.

37. To the extent permitted by Bankruptcy Code section 525, no governmental unit may revoke or suspend any permit or license relating to the operation of the Acquired Assets sold, transferred or conveyed to the Buyer on account of the filing or pendency of the Debtors' chapter 11 cases or the consummation of the transaction contemplated by the APA.

38. Subject to the terms of the APA, the APA and any related agreements may be waived, modified, amended, or supplemented by agreement of the Debtors and the Buyer, without further action or order of the Court; provided, however, that any such waiver, modification, amendment, or supplement is not material and substantially conforms to, and effectuates, the APA and any related agreements.

39. The provisions of this Order are non-severable and mutually dependent.

40. The provisions of Bankruptcy Rules 6004(h) and 6006(d) staying the effectiveness of this Sale Approval Order for fourteen days are hereby waived, and this Sale Approval Order shall be effective immediately upon entry.

41. To the extent that this Sale Approval Order is inconsistent with any prior order or pleading with respect to the Sale Motion in the Chapter 11 Cases, the terms of this Sale Approval Order shall govern.
